

THE SOBER CURATOR PRESENTS  
**CLUED IN**

ISSUE NO. 4 | JUNE 2026 | "SOBER POP CULTURE SHOWDOWN"

*Getting sober matters. Staying sober matters more.*

**ACROSS**

- 1 This British comedian turned recovery into a brand. Loud, polarizing, and 20+ years sober
- 3 This Spider-Man actor has been quietly sober for most of his career
- 6 This HBO show made teen substance use impossible to look away from
- 7 Armchair Expert host who has been open about recovery since day one of his podcast
- 9 Netflix, Hulu, Max. Where recovery stories find their biggest audiences now
- 11 Slim Shady got clean and never stopped rapping about it. Detroit's realest export
- 12 The streaming platform where half the shows feature someone in recovery

**DOWN**

- 1 Amy Winehouse sang about it. Millions have been through it. The word carries weight
- 2 The big or small one. Where addiction stories play out and change minds
- 4 This A-list actor credited sobriety with saving his career. Starred in A Star Is Born
- 5 The Elton John biopic that made sobriety look like a superhero origin story
- 8 The comedy format where sober comedians kill it without liquid courage
- 10 He played an alcoholic pilot in Flight and won our hearts. Also sober in real life
